## 4K AT MUKWONAGO YMCA

# 4K AT THE MUKWONAGO Y

Join us for 4K at the YMCA, offering a fun, engaging early learning experience in partnership with the Mukwonago Area School District.

We offer both AM and PM sessions running from 8:45 AM - 11:15 AM and 12:45 PM - 3:15 PM.

## READINESS FOR 4K

- Begin to identify alphabet letters
- Ability to identify basic colors and shapes
- Name recognition

## REGISTRATION INFORMATION

You can access registration forms and more information by visiting the Mukwonago Area School District Website:

<https://www.masd.k12.wi.us/schools/4Kregistration.cfm>

## EXTENDED CARE NOW AVAILABLE

We now offer wrap-around care from 7 AM - 6 PM for children enrolled in 4K at the YMCA. For more information about Extended Care at the Mukwonago Y, please visit:

and groove, where they sing  
and dance to songs while  
being called to check folders.**3:00–3:15**

Parents,

We believe that the best teaching happens when students feel actively involved in their own learning. This year your students will learn how to be a student who is kind, a good friend, honest, and responsible while supported in an inclusive and positive learning environment. We promise to provide a learning experience that is safe, engaging, interactive and differentiated to meet all of your student's learning needs.

-Ms. Harris & Ms. Brunner

## OUR STAFF

### **4K TEACHER** Angie Harris

Ms. Harris, originally from Oklahoma, has only been teaching at the Mukwonago YMCA for a couple years, but she has many years of experience teaching this age and she loves everything about it! Ms. Harris enjoys getting to know each child as an individual and helping them have the best learning experience possible while having lots of fun along the way.

### **4K TEACHER** Sherri Brunner

Ms. Brunner received her Bachelor's degree from UW-Milwaukee and is licensed to teach preschool through 3rd grade. She has several years of teaching experience and has been with the Mukwonago Y's 4K program for several years. Ms. Brunner has a strong passion for literacy and enjoys watching her students grow and develop. She wants her students to enjoy learning and have positive experiences that encourage them to be lifelong learners.
